

Dear Parent/Guardian,

Please find enclosed information about Scribble our new after school project for 14-17 year olds. There is also an application pack included which you and your child should complete together and return to me. Please could you also complete the enclosed photography permission form. I will confirm by Friday 27th August whether or not your application has been successful.

If your child's application is successful the first session is on Monday 13th September at 4.30pm (at the Traverse Theatre). Your child will be based on our main Cambridge Street site in one of our two performance spaces. A Professional Scottish Playwright will lead the project helping your child to develop their own short play. Participants will also get the chance to work with professional actors, directors, musicians, designers and technicians as they work towards writing their own play script. Thanks to generous funding from Cairn Energy we are offering the project for FREE this includes all workshops, two theatre tickets per participant, access to a brand-new script library and writing materials as well as future discounts at the Traverse

I have attached a copy of the project schedule so that you have a list of the dates your child will be required to attend.

If you need any further information about the Traverse Theatre in general or about Scribble please do not hesitate to contact me.

Best wishes,

Noëlle O'Donoghue
Head of Traverse Learning
